You can reset your password using the following instructions: -

If the mobile number that you have registered at St Brendan's is still your current number, you can visit the following link to reset your password:-

<https://faramir.stbrn.ac.uk:8443/sspr/public/forgottenpassword>

Enter your student id in the box and complete the CAPTCHA, then click on search.

You should get a confirmation dialogue with the last few numbers of your mobile number. If this is your number, click on send and the system will send a text message with a code that you can enter on the subsequent page to initiate a password change operation.

If the mobile number shown by the password reset system is no longer your current number, you will have to contact the admin team to correct our records before you can reset your password.
