

# Apprenticeships & Technical Education

**Don't miss out, book today!**

Following on from our successful in person parent & carer Apprenticeship & Technical Education pathway roadshows, which took place earlier this year. We will be hosting a series of sector specific online events, early July.

Don't worry if you missed the in person event as we will also be holding an online version of this, via a platform called LearnLive.

All details of how to book any of these events can be found below;

**📣 Tuesday 4<sup>th</sup> July - Parents & carers, find out about apprenticeships & careers in the NHS & Adult Social care - it isn't all health care!**

We often think of the NHS & care sector and assume health care support workers. Whilst this is a great route, offering progression and the potential to secure a degree via the apprenticeship route, there many different apprenticeships on offer in a whole host of departments, all with similar progression opportunities accessible via an apprenticeship.

We will be joined by Louisa Pinkstone, Apprenticeship Manager at United Hospitals Bristol & Weston (UHBW), Healthier Together and Brunel Care.

Come and hear about what apprenticeships look like with these employers, the different opportunities available and how to support your child through that all important application process, be that now or in the future!

Book now [👉 https://www.wtpn.org.uk/events/parents-carers-find-out-about-apprenticeships-careers-in-the-nhs-adult-social-care-it-isnt-all-health-care](https://www.wtpn.org.uk/events/parents-carers-find-out-about-apprenticeships-careers-in-the-nhs-adult-social-care-it-isnt-all-health-care)

 **Thursday 6<sup>th</sup> July - Parents & carers, do you want to hear about apprenticeships & careers in Construction? - Join us to find out more!**

Join us as we explore the different construction apprenticeship opportunities available in the region, the progression pathways, how to secure one and the reality of working in industry.

We will be joined by Onsite, a Bristol based construction training provider. Building Bristol who work with employers in the region looking at redevelopment to support with creating new employment opportunities, including apprenticeships, and Shared Apprenticeships an employer of apprenticeships from entry level to degree, all within the construction sector.

Come and listen, ask questions and learn how to support your child through that all important application process, be that now or in the future!

 **Thursday 11<sup>th</sup> July - Parents & Carers, do you want to hear about apprenticeships & careers in Hospitality - join us to find out more!**

Hospitality is an industry that can often be forgotten and seen as a stop gap for moving on elsewhere. This couldn't be further from the truth. There are so many different avenues you can pursue once you get your foot through the door by the means of an apprenticeship.

We will be joined by the School of Food, the Hotelier's Association and Nando's. Who will share their insight into industry, progression routes available once in and remove some of the myths associated with this sector.

Come and listen, ask questions, and learn how to support your child through that all important application process, be that now or in the future!

 **Thursday 13<sup>th</sup> July – LearnLive, hear from and ask questions to 5 employers and apprentices as they talk about their experience of starting an apprenticeship or why, as an employer they take on apprentices.**

Apprenticeships & Technical Education have changed dramatically in the last few years and offer such exciting opportunities, but they can seem confusing to understand.

Our LearnLive session will cover the key points of what an apprenticeship is and how to secure one. You will hear from employers who recruit apprentices and find out the impact they have on their business. You'll also hear from apprentices who have gone through the application journey and have now started a meaningful career via the means of an apprenticeship.

Join us to be inspired and learn how to support your child through the apprenticeship journey.
