VOICES OF EXPERIENCE

Listening to young people's ideas on how to improve the system to help them stay in or get into education, employment or training

Funded opportunity

For young people who :

- are 15 to 25
- live in SW England
- want to share their views on system issues that increase the risks of young people being out of education, training or work (and what should be done about it!)

£20 Voucher
Travel costs
Pizza & Nibbles

Our research with young people and educators looked at the issues that lead to early school leaving and NEET.

To develop policy recommendations for the government, we want to hear your views about:

- the key barriers to tackle
- how to improve the education and training system
- solutions suggested by educators
